John Muller, Chair
S.F. Bay Regional Water Board
1515 Clay Street, Suite 1400
Oakland, CA 94612

Dear Mr. Muller,

The San Francisco Bay is filled with trash. This trash ruins people's right to recreation on or near the bay, negatively affects water quality and destroys marine wildlife. The Board's proposed permit would require cities and counties to meet a cleanup level of 100 pieces of trash for every 100 feet in a trash "hot spot". This level of cleanup is ridiculously minimal. Residents of and visitors to the San Francisco Bay Area deserve the highest level of protection. Trash should be entirely cleaned up and none should be allowed at all.

Sincerely,

Barbara Hodovan
